- Lighter weight but with conventional features
- Amazing space – we use every nook and cranny!
- Upgraded interior amenities
- Full 8' wide
- Superior overall construction

GVWR: Gross vehicle weight rating: Maximum permissible weight of trailer when fully loaded- includes all weight at the axles and coupler

UVW: Unloaded vehicle weight: Empty weight of the trailer (no water, propane or cargo) as equipped with typical options. Includes all weight at axles and coupler. If applicable, it also includes full generator fluids, including fuel, engine oil and coolants.

CCC: cargo carrying capacity: Cargo carrying capacity is equal to GVWR minus each of the following: UVW, full fresh water tank(s) including water heater, and full propane weight. Water weighs approximately 8.3 lbs./gallon.
